Open House At New Pahokee Hospital Scheduled Sunday Afternoon At 2P.M.

The new Everglades Memorial Hospital will be opened to the public for inspection at two o'clock Sunday afternoon. September 12-All citizens are cordially invited to attend the special occasion. There will be no long drawn-out speeches and no special program to mark the Open House. Folks are being invited to go and see first hand what their tax dollars have bought for the Pahokee-Canal Point community.

Located on Barfield Highway in Pahokee, the new hospital is now complete in every detail except for installation of the incinerator. When it is installed, which should be within the next few days, the hospital is ready to begin patient service. The hookup with the new sewer system is complete, and while there is no definite date set yet for moving into the new facility, it will be in the very near future.

At the open, house there will be

Service To Public

Postmaster Edythe Smith has been commended by William H. Neal, National Director of the U. S-Savings Bonds Division, for her leadership and service to the Treasury's School Savings Pro-

gram.

In a letter to the Postmaster,
Mr. Neal pointed out that a suc-

cessful School Savings program— through which pupils buy U. S. Savings Stamps at school on a regular basis — "requires the joint cooperation of teachers, par-

ents, and volunteer workers— and, above all, good service by the post office and the understand-

ing leadership of the Postmaster."
School Savings, which operates
in Canal Point school, is a part of
the nationwide Savings Bonds pro-

gram and, in Mr. Neal's words, "has launched the thrift careers of millions of boys and girls." Then, commenting on the fact that

the bond program will observe its 25th anniversary in 1966, he said: "Many of those who began with School Savings during World War

Postmaster Edythe Smith commented that "the sale of Savings Stamps to the public — and espec-

stamps to the public — and especially to our young people through the School Savings Program—is a service we are proud to render. I

know of no finer way to build for a better tomorrow than by training

our youth in the sound American heritage of thrift."

Savings Stamps in five denomi-nations, from 10 cents to 50c, are

on sale at all times at the post of-fice, and on Stamp Day in schools.

v 34% interest on U.S. Savings Bonds

The Treasury explains why the new ones you buy and the ones you own now are better than ever

- & How does the new 3 ½ % interest rate benefit me?

 A: With Series E Bonds, the rate turns \$18.75 into \$25.00 fourteen months faster than the old rate. Your savings increase faster, because your Bonds mature in just 7 years, 9 months.

mature in just 7 years, 9 months.
With Series H Bonds, the 10-year maturity period stays the same but more interest is paid you each six months. With both E and H Bonds the new rate works out to 214% for the first year and a half; then a guaranteed 4% each year to maturity.

- Q: When did the new rate become effective?
- A: June 1, 1959.
- Q: Does the new rate change the Bonds I bought before June 1, 1959?
- A: All older E and E Bonds pay more now—an extra
 4% from now on, when held to maturity. The increase takes effect in the first full interest period
- Q: Will the Bonds I own automatically earn their new
- A: Yes. You don't need to do a thing—just hold on to your Bonds.
- When my E Bonds mature, will they keep on earning interest?
- Yes. An automatic 10-year extension privilege went into effect along with the new interest rate. This means your E Bonds will automatically keep earn-ing interest after maturity.
- Q With the new interest rate, should I cash in my old Bonds and buy new ones?
- Bonds and buy new ones?

 A: No. The automatic 14% increase makes it unnecessary—and in almost every case it is to your advantage to retain your present Bonds.

 Chief the series H Bonds different from series E
- Bonds?
- As The chief difference is this: You buy H Bonds at full face value and the interest is paid by Treasury

check every six months for the life of the Bond. You buy E Bonds at 75% of face value and the interest accumulates to maturity. H Bonds provide income for living expenses, while E Bonds build nest egg for the future. That's why many retired people hold H Bonds and families saving for, say, a child's education, buy E Bonds.

- Q: In what denominations can I buy series E and series H Bonds?
- **E Bonds: \$25 (cost \$18.75), \$50 (cost \$37.50), \$100 (cost \$75.00); \$200 (cost \$150.00), \$500 (cost \$375.00); \$1,000 (cost \$750.00), \$10,000 (cost \$750.00).

 **H Bonds: \$500, \$1,000, \$5,000 and \$10,000. They are priced at face value.

- Or How safe are U.S. Sayings Bonds?
 At Sayings Bonds are an absolutely riskless way to save. The United Spress Government guarantees the cash value of your Bonds will not drop, that it can only grow.
- & What if my Bonds should be lost, stolen or destroyed?
- You can't lose. Every Bond purchased is recorded by the Treesury. If anything happens to your Bonds they are replaced these.
- Where can I buy Bonds?
- the Where can I buy books,

 the Buy B Bonds at any bank,—it takes only a few minutes. Buy them automatically through the Payroll

 Bavings Plan means you work. This Plan means you
 can have any amount you hame automatically deducted every payday. The Bonds you buy by
 installments are delivered to you automatically,
 too. Your bank will take your order for H. Bonds.
- & How do I help strengthen America's peace power when I buy U.S. Savings Bonds?
- As Peace costs money—money for military strength and for science. And money saved by individuals helps keep our economy sound.

How to speak out for freedom today

Free men have never gone in much for silence. Even before the first thirteen States became United States, men were speaking for freedom loud and clear.

Today Americans speak out for freedom many ways—in Congress, in local government, in neighborhood activities. Some speak out for freedom in other languages, in other lands. And millions of Americans speak out for freedom every time they buy U.S. Savings Bonds.

Every Savings Bond you buy is an investment in freedom. While you're saving money for your

own family's future, you're helping Uncle Sam tend to the business of keeping men free today.

Perhaps you don't speak out for freedom in the same tone of voice when you buy a Bond as Patrick Henry did in his famous speech. But you speak every bit as surely. And every bit as proudly.

Why not speak out for freedom now? Buy Bonds at the bank or on the Payroll Savings Plan where you work.

Keep freedom in your future with

SAVINGS BONDS
